little money I put up was on If I were Choynski I would that fact.

The decision giving the anything else. fight to McCoy was an outrage. If such crooked business is allowed it means the I was forced to leave a death of fighting, and I, for the first round last one, would favor the repeal owing to my theatrical of the Horton law if there is gagement. What I saw such a lack of honesty in con- the fight was on the tests.
